**T**here's nothing like fun in the sun! As summer turns to fall, the Houston Parks and Recreation Department is your place for non-stop amusement and spectacular outdoor activities. Our balmy weather is a huge motivating factor for taking advantage of the great outdoors and all that comes with it. Let HPARD be your gateway to a healthy lifestyle. Whether it's taking it to the limit on HPARD's hiking and biking trails, to cooling off from the heat in one of our many city swimming pools, we're here to make this time of year a memorable experience for the young and old.

Explore our latest catalog for playground locations, spraygrounds, tennis courts, golf courses and much more. To get closer to Nature, try out one of our trails for walking, hiking and biking. They stretch for miles across the city. We manage and operate 60 community centers and one multi-service center dedicated to adaptive recreation. Part of our core mission is to promote an active lifestyle through recreational programming for children and seniors based in these centers of activity, as well as through organized sports for active adults. Our primary goal is to get Houstonians up, out, and moving. Staying fit and healthy is in everyone's best interest. There's no better way to do it than with family and friends at an HPARD facility.

The After School Enrichment Program is available for children ages 6-13 at most of our HPARD community centers. It's just one of the programs we offer to Houston youth. Whether your child aims to become the next Jose Altuve, Serena Williams, or Lionel Messi, there is a program to suit his or her taste. If camping is more your thing, don't miss visiting our spectacular Lake Houston Wilderness Park. Located just north of the city, it's 5,000 acres of lush camping sites, creeks for canoeing, beautiful rental cabins, and a rustic nature center to educate and entertain.

I am truly proud to lead the Houston Parks and Recreation Department. I work alongside some of the hardest working individuals in this great city. Their everyday efforts inspire me and drive home the department's mission "to enhance the quality of urban life by providing safe, well maintained parks and offering affordable programs for the community." Houston is a special place. I urge each and every one of you to explore it by taking full advantage of the programs and resources available to you in your neighborhood park. Let's Activate Houston!

Steve Wright, Director  
Houston Parks and Recreation Department

# DOG PARKS

The Houston Parks and Recreation Department welcomes you and your dog to enjoy the vast amount of park space in the Bayou City. However, you are required to have your dog on a leash at all times. Our leash law is one of the tools that permits dogs & dog owners to visit a park without creating safety concerns, disturbing natural resources, or diminishing a park visit for those who are not comfortable around dogs. We know that most dogs love to run free and most dog owners would like to provide their pets the opportunity to do so.

Please remember that dogs are not allowed, even with a leash, in children's play areas, or on organized athletic fields.

The department does provide a variety of off-leash dog parks for you and your dog to enjoy. Please remember to follow the Dog Park Rules while enjoying these facilities. For a complete list of dog park rules and regulations visit <http://www.houstontx.gov/parks/pdfs/DogParkRules.pdf>.

## **Johnny Steele Dog Park at Buffalo Bayou Park 2929 Allen Parkway**

The two-acre Johnny Steele Dog Park opened in Buffalo Bayou Park on January 17, 2015. It offers separate areas for large and small dogs, each with a pond, dog washing station, and shade structures for the enjoyment of Houston dogs and their human friends. One of the area's largest dog parks, it is named for Houston landscape architect Johnny Steele. It was built as part of a \$58 million renovation of Buffalo Bayou Park by the Buffalo Bayou Partnership.

## **Elizabeth Glover, 3104 Austin St.**

## **Ervan Chew, 4502 Dunlavy**

Ervan Chew was the first neighborhood park in Houston to allow dogs to legally run free, off-leash in a designated dog zone. The dog zone is located adjacent to the picnic area and sprayground. It is a fenced-in space, approximately 9,000 square feet in size, and is designed to allow dogs to exercise freely. The Friends of Ervan Chew Park, a neighborhood organization, provided funding for the dog zone. It was dedicated in May of 2004.

## **Levy Park 3801 Eastside**

This park was acquired by the city in 1942 and was renovated in two phases by the Upper Kirby District & Intown Chamber of Commerce. The most recent renovation was finished in 2006 and includes a designated dog run. The new dog park is near the updated play equipment & the softball field. Being surrounded by dog-filled apartment complexes, Levy Park should be a popular destination for the area's canines and their humans.

## **Holly Anawaty Dog Park Market Square 301 Milam**

This park has two dog-runs, one for small dogs and one for large dogs. They are enclosed by a beautifully designed and lit crescent walkway so everyone can enjoy watching our four-legged friends frolic. Water features are in both as are benches and canine drinking fountains. The Market Square Park dog runs were officially dedicated on May 21, 2011 in memory of Houstonian, Holly Anawaty. Market Square Park is maintained by the Houston Downtown Management District.

## **Maxey Park 601 Maxey Road**

This was the second official dog park in the Houston Parks and Recreation system. Dedicated in September of 2004, this community park designated approximately 12 to 13 acres of parkland as a place for dogs. The area features a fenced-in space for the dogs to exercise off leash, and amenities include doggie drinking fountains, separate areas for large and small dogs, a doggie shower, a waste disposal station, and benches throughout the space. Maxey Park Bark and Run Park was funded in part by the Houston Parks and Recreation Department and revenue generated from from the 2003 City of Houston Birthday Celebration.

## **Tanglewood Park 5801 Woodway**

This park was built through contributions from individuals and foundations, and is part of a larger park renovation that includes a new .2-mile concrete walkway and a beautiful gazebo, which was paid for through \$23, 524.75 in city funds. Its Grand Opening took place Sunday, February 14, 2010.

## **T.C. Jester Park 4201 West T.C. Jester Blvd.**

This site boasts a 31,000-square foot run for big dogs and a 16,000-square foot run for small dogs, for a total enclosure of 1.08 acres. It opened to the public in August 2009. There are benches and dog drinking fountains in both sections.

# WATER SPRAYGROUNDS

The Houston Parks and Recreation Department's water playgrounds provide an engaging and interactive fun activity year-round for children, especially during the hot summer months. Water playgrounds have distinct advantages over swimming pools in that they are cost effective, low maintenance, and water-play activities extend well beyond normal pool season. Water playgrounds are controlled using a timer and touch-sensor. The timer is set for 12 hours of water activation. The touch-sensor turns on the water for a two to three minute cycle.

H-E-B Grocery Company has generously donated more than \$1.1 million to the Houston Parks and Recreation Department through the Houston Parks Board Inc., to create and build additional water playgrounds in Houston city parks. These are brightly colored facilities featuring equipment that squirts, sprays, mists and shoots water. Children will be able to enjoy everything from oversized flowers that mist to a whale that spouts and squirts water and in-ground elements that resemble geysers.

## Memorial Park Golf Course

Memorial Park Golf Course began in 1923 as a 9-hole sand green course built near the hospital at Camp Logan. In 1935, in an ambitious effort to enhance parks across the city, the Houston Parks and Recreation Department began constructing an illustrious 18-hole golf course. In July of 1936, the first ball was teed off on what architect John Bredemus called his "greatest golf course ever."

Through the years, Memorial Park Golf Course hosted many famous golfers like Arnold Palmer, Babe Didrikson, and Charlie Sifford. It also hosted the Houston Open PGA Tour event from 1951 to 1963. In 1995, a newly renovated 260-acre course opened with a lighted driving range, putting and chipping greens, and a beautiful new clubhouse facility featuring an expanded pro shop and a Beck's Prime Restaurant.

Today, Memorial Park Golf Course is known as one of the best municipal courses in the nation and is visited by more than 60,000 patrons each year. Houston is proud to call Memorial Park Golf Course the crown jewel of Memorial Park. Memorial Park Golf Course is closed on Tuesdays. Tee times are available online at [www.houstonparks.org](http://www.houstonparks.org). Click on the golf link and choose "Online Tee Times" to access the tee time reservation system.

Memorial Park Golf Course

**Hermann Park Golf Course**

Hermann Park Golf Course is a jewel nestled in the center of the Bayou City. Since 1922, this lush parkland course has been at the center of a rich tradition of golfing excellence. The course was fully renovated in 1998. The new clubhouse is located at the corner of Almeda and North MacGregor and from there you set out on this short but challenging and enjoyable course. Water toughens the course, coming into play on half the holes.

You'll find no more enjoyable way to experience George Hermann's legacy than playing this 18-hole oasis in the very heart of Houston.

Hermann has a driving range, practice putting green, pro shop and complete snack bar. The Hermann Park Golf Course is managed for HPARD by BSL Golf Corp. Sales tax is additional on all fees. Carts required weekend mornings. Tee times are available online at [www.houstonparks.org](http://www.houstonparks.org). ## GARDENS

### McGovern Centennial Gardens and Cherie Flores Garden Pavilion

The Cherie Flores Garden Pavilion is the entry way to the Gardens. Designed by world renowned architect Peter Bohlin of Bohlin Cywinski Jackson the dramatic entry way provides a meeting room as well as a spectacular fountain and walkway to a 30-foot Garden Mount.

The gardens were designed by the landscape design firm Hoerr Schaudt, in collaboration with White Oak Studio and Dr. William C. Welch of Texas A & M University. They feature several themed gardens (including a rose garden and sculpture garden). The 30-foot Garden Mount provides a scenic view of the area's beauty.

The gardens hours change seasonally. They stay open later during the summer months between Memorial Day and Labor Day and close earlier during the shorter winter months.

### Japanese Garden at Hermann Park

Nestled in a pine grove near the Sam Houston Monument in Hermann Park you'll find an island of serenity known as the Japanese Garden. Designed by world-renowned Japanese landscape architect Ken Nakajima, the garden was built to symbolize the friendship between Japan and the US, and to recognize Houston's thriving Japanese community.

The Japanese Garden in Hermann Park is built in the Daimyo Style, a traditional design that dates back to the 17th, 18th, and 19th century stroll gardens. Like most stroll gardens, this 5-acre oasis is designed around a sequence of landscape elements, which combine together to create a work of living art.

THE JAPANESE GARDEN IS NOT AVAILABLE FOR RENTALS.

Professional Photographers are prohibited.
